

ITU PNGE Undergraduate Program - Curriculum Flowchart

Notes

- Prerequisites of elective courses are not shown on this chart. Please check the related course catalog page to find out about the prerequisite(s) of a given elective course.
- For the list of possible courses for each elective, click on a given elective course box in the chart.
- If there is any discrepancy between this chart and course catalog pages, information on the course catalog page should be considered as the most current and correct one.
